(Michael Corkery and Sapna Maheshwari. Americans Keep Spending, but Growth of Retail Sales Slows. *The New York Times*, 2020. 一部変更)

[注]

pandemic: the state of an infectious disease being prevalent over a wide area

miscellaneous: consisting of many different kinds of things that are not connected

resilient: able to recover quickly after difficult conditions

Amazonification: a business dynamic formed by Amazon, such as offering 2-day delivery, causing changes in all other businesses

nimble: quick and light in movement or action

問 1 Choose the closest meaning of the phrase running out of steam in the article and write the letter a, b, c, or d on your answer sheet.

- a. starting to work more effectively
- b. losing energy gradually
- c. returning to a normal state
- d. spreading into the air

問 2 To complete the article above, select the most appropriate word or number for each of the parentheses ①—⑩ from the choices given and write the letter on your answer sheet. Note that the head words are not capitalized. Eight options will be unused.

(A) similarly	(B) currently	(C) conversely	(D) many
(E) more	(F) less	(G) 0.4	(H) 1.2
(I) 2.1	(J) 2.9	(K) 3.8	(L) 10.0
(M) 15.4	(N) 20.4	(O) travel	(P) interior
(Q) gardening	(R) groceries and liquor		

問 3 For the following statements (1) — (4) regarding the article above, write T if the statement is true or F if the statement is false on your answer sheet.

- (1) In August 2020 consumers spent more money on eating out than in the previous year.
- (2) Clothing business remained slow without any sign of its recovery.
- (3) Consumers had continued to spend on sports gear since the previous year.
- (4) The current distribution system has partially helped businesses handle the crisis during the pandemic.

2 以下の設問に答えなさい。

問 1 Put the words in parentheses in the right order to complete the conversation. Note that the head words are not capitalized.

(1) A : There is not enough space for the new computer in your office or mine.

B : We (set, up, will, have, in, to, it) Room 200 B.

A : You're right. There's no other room anywhere.

(2) A : I'm getting this folder ready for my presentation at five.

B : It's raining heavily, and you need to go out to the conference room. You (wear, ten minutes, because, your raincoat, should, it, takes, about) to the place.

A : I should probably take an umbrella, too.

(3) A : Everyone has to wait in line to use the same copying machine during the exam period.

B : (do, done, you, be, what, about, think, should) it?

A : Our school needs to buy more copying machines immediately.

(4) A : Stay away from this building and move off the sidewalk.

B : What's wrong, officer?

A : (smoke, the windows, coming, one, from, there's, of). The fire department is on their way.

(5) A : I'm sorry I'm late. It was hard to find this Italian restaurant.

B : Oh, would you like me to show you around after lunch?

A : That'll be great! (from, lost, me, keep, will, getting, it) next time.

(6) A : Your room is confirmed for May 8. Our check-in time is six o'clock.

B : I have a meeting in the evening and won't get there until around eight p.m.

A : No problem. We (until, your room, guarantee, arrival, late, will, for) ten.

問 2 The following passage is taken from an introductory book on advertising. To complete the passage, select the most appropriate word for each of the parentheses ①—⑧ from the choices given and write the letter on your answer sheet. Note that the head words are not capitalized.
